Thru  
Training**

Dear Caldwell Church Family,

In the past few months God has begun to lead us on an incredible journey. It all started on the weekend of April 7 & 8 when we held our Vision Weekend with over 120 of our members participating. Shortly after that weekend, Michael Gee, Idaho Conference Bible Worker, presented a two-week interactive class on how we can have our guests feel more welcome and at home from the very first time they set foot in our church. Again, these sessions were very well attended. All in all, we came away with invaluable information that will help shape our ministries in the near future.

So, what's on the horizon? Next week, June 8-10, Michael Gee will be with us once again. This weekend will be packed with hands on lessons to help equip us for sharing our faith in our community. There will be eight sessions in all and I would encourage you to attend as many as you can. Here's what the weekend will look like:

**Friday, June 8 @ 7 pm**

1. Passion for Winning Souls and the Role of the Laity
2. Cycles of Evangelism and Strategy

**Sabbath Afternoon @ 1:30 pm** (After Potluck)

3. Christ-Centered Teaching is Essential
4. How to Communicate with People
5. Structuring Your Bible Studies

**Sunday, June 10 @ 9 am**

6. How to Gain Decisions and Dealing With Objections
7. Identifying Your Field of Labor
8. Creating Bible Study Interests Among Friends

Another item I must share with you is that our church is preparing to launch a new ministry tool called *Equip*. We believe God desires all believers to be equipped to do their part in the Body of Christ, His Church, and we believe this tool will help us provide an opportunity for every member to be involved in some form of ministry. *Equip* guides members through four steps toward heartfelt service: 1) Hearing God's call to service, 2) Learning about spiritual gifts and discovering one's own gifts, 3) Finding places of service, and 4) Committing to step forward in ministry for Christ.

You'll hear more of *Equip* in the near future, but in the meantime, don't forget about

- ☺ Camp Meeting at Gem State Adventist Academy June 12-16;
- ☺ Summer Camps throughout the summer;
- ☺ VBS July 16-20; and the
- ☺ Block Party August 5.

A fellow servant in Christ,

Pastor Lou

### Current Projects

Dave Gatton's class will have 2 mission projects: CYM & an overseas project.

smile.Amazon and Fred Meyer Community Giving

If you don't know how to sign up for these, call the church office or Marie Stratton (Even things we order for the church earn us a bit on smile.Amazon)

Joseph & Geri Nohejl are selling items online for anyone who needs help.

a vintage adding machine

Check around your house. Quite likely you have something they could sell.

Older members—remember the SS investment stories? Well, Marie Stratton is taking a lesson from days gone by. "No matter what I've tried, something has been getting our garden corn seed even though in the past we have had a good crop. So I've dedicated our corn patch to God. I will buy each dozen successfully grown and give the proceeds to the associate pastor fund. God has promised to 'rebuke the devourer.' Please pray—stay tuned!"

### Other Ideas

Birthday and/or thank offerings

Give unexpected income.

Give the amount that you saved using a coupon.

Give any money you find that there is no way to return—never find money? Well, don't underestimate God.

Maybe you are a techie. You help someone with their computer, tablet, phone, etc. and they want to pay you. You don't want to take any money. Suggest they make a contribution to the youth pastor fund.
